

WOOD ASSOCIATES CORPORATION—NEW AND IMPROVED WEBSITE LAUNCHES TO HELP KEEP CUSTOMERS INFORMED OF SERVICE OFFERINGS AND NEWS UPDATES.

(August 1, 2008) – Wood Associates Corporation, a privately owned global technology and consulting company specializing in contact centers, business management, business services, and training, have partnered with Davenport Web and Graphics to update, improve content, and redesign the website. The new site will launch on August 1, 2008.

A refreshing new look and feel provides our customers and web visitors a streamlined approach for finding information on our current service offerings. We are committed too inform visitors of the latest news at Wood Associates Corporation.
