

WOOD ASSOCIATES CORPORATION CONTRACTS WITH ROCKY MOUNTAIN POISON & DRUG CENTER

(June 11, 2003) – Wood Associates Corporation, providing Best-In-Class Strategic Solutions for developing "World Class" contact centers, has been contracted to provide solution concept and design for a multi-channel contact center that will serve the public during a Bio-terrorist Event.

Wood Associates is teaming with Rocky Mountain Poison & Drug Center under the AHRQ Grant from Homeland Security to create a plan for a "Health Emergency Assistance & Triage Hub" (HEALTH) that can be exported to other United States Public Health Agencies.
